Dear Sir:

In response to the Notice of Drawing Inconsistency With Specification dated February 2, 2006, (copy enclosed), please substitute the accompanying corrected page 11 of the specification for that presently in the application. In the accompanying corrected page the brief description is corrected at line 14 to refer to Fig. 15b rather than 13b, an obvious typographical error.

Attorney for applicant thanks Miss Lewis of the Office of Patent Publication for her helpful advice by phone how best to proceed.

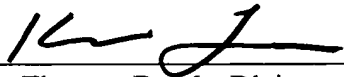

Entry of the amendment and issuance of the patent is requested. No fee is believed necessary, however authorization is given to charge any additional fees associated with this

communication to Deposit Account No. 070135. A duplicate copy of this sheet is enclosed.

Respectfully submitted,

GALLAGHER & KENNEDY, P.A.
